## CERTIFICATE OF ANALYSIS

Testing conducted by Law Laboratories Ltd.

Test Method: Harmonised JIS Z2801 / AATCC 100 All passed inoculation test after 24hrs

Salmonella enteritidis	Klebsiella pneumoniae
Pseudomonas aeruginosa	Streptococcus faecalis
Phoma violacea	Penicillium purpurogenum
Bacillus cereus	Saccharmyces cerevisiae
Escherichia Coli O157	Aspergillus Niger
Listeria monocytogenes	
Staphylococcus aureus (resistant strain, MRSA)	

AM – Simulated Embossed

Escherichia Coli O157	Staphylococcus aureus (resistant strain, MRSA)
-----------------------	--

AM – Simulated Printed

Escherichia Coli O157	Staphylococcus aureus (resistant strain, MRSA)
-----------------------	--

AM – Wear Tested

Escherichia Coli O157	Staphylococcus aureus (resistant strain, MRSA)
-----------------------	--

AM – Cleaned with Bleach

Escherichia Coli O157	Staphylococcus aureus (resistant strain, MRSA)
-----------------------	--

AM – Cleaned with Phenol based disinfectant

Escherichia Coli O157	Staphylococcus aureus (resistant strain, MRSA)
-----------------------	--

AM – Cleaned with Quaternary ammonium based disinfectant

Escherichia Coli O157	Staphylococcus aureus (resistant strain, MRSA)
-----------------------	--

AM – Aged 15 year (cleaning simulation)

Escherichia Coli O157	Staphylococcus aureus (resistant strain, MRSA)
Aspergillus Niger
